

College Articulation and Dual Enrollment Agreements 2011-2012

Articulation Agreements are based (in most cases) on completion of the two-year Barry Tech program. Students must always meet all college entrance requirement and any additional criteria established by the institution. Credits listed for each program are the maximum number that will be awarded. The college may choose to award few credits. Check with guidance about a particular agreement.

College/Post-Secondary	Location	Barry Tech Program	Credits/Courses
